## Memorial School Hosts Jazz Breakfast for Seniors

Members of the Rochester Council on Aging (COA) were treated to a music-filled breakfast courtesy of the town's Memorial School Grade 5 and 6 students on Friday morning, March 26. The school's Jazz Band performed a mini-concert for the town's elders to enjoy along with a fine breakfast served by students.

According to instrumental music teacher Chris Williamson, this was a rare opportunity for the school to do something for the town's seniors. "There were about 30 seniors (at the breakfast)," Ms. Williamson said. "We had a few students perform for a luncheon at the (senior center) once, but this group was too big to bring over there ... so we decided to bring the seniors here. A lot of them said it brought back memories to hear some of those songs — and they were impressed with how much the kids had learned."

While savoring their cups of coffee, COA members were serenaded with toe-tapping favorites like "Tequila" and "Don't Mean a Thing If It Ain't Got That Swing"

As an added bonus, members of the Grade 6 Folk Dance Troupe under the direction of music teacher Chris Ashley also performed for the COA, and several seniors joined in the dance as well. Ms. Williamson agreed that they hope to plan another event for both groups very soon. As for other upcoming Jazz Band events, she is working to put together a joint concert with the Old Hammondtown School Jazz Band and Sippican School Jazz Band later this year.

The members of the Rochester Memorial School Jazz Band include: Amanda Tower, Rachel LaVallee, Brittany Church, Jocelyn Mayer, Walter Hartley, Kyle Nelson, Ian Donaghy, Ben Butler, Myles Lowery, Nick Cummings, Cass Gilmore, Mary Elizabeth Towers, Matt Cusson, Dwight McCombe, Jennifer McCombe, Ryan Daniel, Jesse Renauld, Liz Walker, Jesse Melanson, Caroline Blanchard, Patricia Wynne, Aimee Loranger, Jocelyn Hotte, Kylie Goettlich, and Danielle Blair.

The members of the Memorial School Sixth Grade Folk Dance Troupe are: Jocelyn Hotte, Kylie Goettlich, Taylor Bacchiocchi, Patricia Wynne, Sarah Surprenant, Aimee Loranger, Katherine Strocio, Caroline Blanchard, Meghan Auld, Ryan Daniel, Frances McGaffey, Steffanie Neal, Bethany Costa, Jesse Renauld, Jillian Sousa, Jillian Howard, Katherine McGraw, and Shaina Case.

Tuesday, March 30. The activity-filled day included a lunch centered around diversity with the Student Educators of Diversity (SEOD), round-table discussions, and displays where students obtained information. Dick Armour, a prevention specialist, was the keynote speaker.

Students joined in round-table discussions with knowledgeable community members on such topics as diversity, sports injuries, environmental health, alcoholism, cancer, nutrition, holistic medicine, dating violence, and eating disorders. Members of the various student organizations including Students Against Destructive Decisions (SADD), Students Against Violence Everywhere (SAVE), and Student Educators of Diversity (SEOD) assisted with the event.

There was also plenty of entertainment in the form of student band performances in the cafeteria throughout the morning and a crash-course in swing dancing under the instruction of Danielle Souza and Kimberly Bretto-Smith of the Balancing Room Dance Academy in Marion. This latter activity drew a packed gymnasium of students who paired off to try dance steps choreographed to the Cherry Poppin' Daddies' "Zoot Suit Riot."

The fair was funded in part by money provided through the Massachusetts Health Protection Grant.

## Mattapoisett Selectmen's Meeting

March 30, 1999

By Kenneth J. Souza

A regular meeting of the Mattapoisett Board of Selectmen was called to order on Tuesday, March 30 at 7:00 pm by Chairman Paul E. Lambalot. Also present were Selectman Michele Bernier, Selectman Barry Denham, and Executive Secretary Carol Adams.

After unanimously approving the minutes of the March 23 meeting and signing vouchers for the week, the board announced that the warrant for the April 6 Annual Town Election has been posted. On a related matter, Ms. Adams noted that she has someone come to see her earlier in the week saying they didn't know about any of the upcoming dates for Town Meeting and elections. She wanted to stress that they advertise these dates in the local newspapers, and they will issue reminders on a weekly basis.

The Annual Town Election will be held on Tuesday, April 6 at Old Hammondtown School; polls will be open from 10:00 am to 8:00 pm. A Pre-Town Meeting will be held in the Town Hall Conference Room on Saturday, May 1 at

2:00 pm with the Town Moderator, Town Accountant, Town Clerk, and members of the Board of Selectmen and Finance Committee. Mattapoisett's Annual Town Meeting will be held on May 10, 11 and — if needed — May 12 at 7:00 pm at Old Rochester Regional High School.

Several residents wanted to make sure that MediaOne would be present to videotape the Town Meeting since they were unavailable at the last Special Town Meeting. Ms. Adams and Selectman Denham said they met with Debbie Stinson of MediaOne and she agreed to have cameras available for at least the first two nights of Town Meeting.

"One of the problems is she just doesn't have the help," Selectman Denham said. "They need people to help set up and take down the equipment."

Someone suggested that the students at ORR High School might be asked to assist, but Selectman Denham said they have an active Media Club which is booked with covering school events and sports. "If they cover Mattapoisett, they will have to do the same for Marion and Rochester."

That's why Selectman Denham said it will be advantageous to begin broadcasting the weekly meetings of Selectmen and other town boards live when they have the cameras permanently installed in the Town Hall Conference Room. "We will, at some point, be getting our own channel with MediaOne's help," Selectman Denham said. "We'll be installing permanent cameras in this room to run meetings either live or taped ... and even when there isn't something televised, we can run announcements and community updates for upcoming events."

Under meetings scheduled for the week, Chairman Lambalot noted that Selectmen will attend the Planning Board meeting on Monday, April 5 at 7:15 pm in honor of Dick Chase's retirement after 49 years of service to the Town of Mattapoisett. Ms. Adams said a special certificate of appreciation will be given to Mr. Chase. Chairman

• Notice that the next Network-of-Networks Meeting relating to the Regional Community Congress will be held on April 7 from 3:30 to 5:30 pm at the Southern New England School of Law.

At 7:25 pm the board met with Laura Perry and Erin Brogan of the Dartmouth High School Chapter of the East Timor Action Network to consider a resolution denouncing the actions of Indonesia against East Timor, Portugal. A small country north of Australia and east of Indonesia, Ms. Brogan explained that East Timor is about the size of Maryland and had been a Portuguese colony for the last 700 years until declaring their independence some 25 years ago. Shortly thereafter, Indonesia invaded the country and has killed some 200,000 of the country's population to date.

"The United States has deplored Indonesian action against East Timor, but they have provided arms to Indonesia," Ms. Brogan said. "We're here to ask that you approve a resolution against the action taken by Indonesia."

"We're going to Washington, DC next month to lobby our cause," Ms. Perry said. "Portugal and Indonesia have agreed to begin talks on April 9 ... that's about the time we're going to Washington."

The board unanimously voted to sign a resolution supporting the efforts of the East Timor Action Network

This being the last regular Selectmen's meeting at which Michele Bernier would be serving on the board, Chairman Lambalot said he wanted to take the opportunity to thank her for her three years of service and the contributions she's made to the town.

"I'd like to take a quick opportunity to thank the people of Mattapoisett," Selectman Bernier said. "It's been a wonderful learning experience and I recommend it to anyone. At 7:42 pm the board voted to go into Executive Session under Exception 2 of the Open Meeting Law and would return to open session for a scheduled 8:15 pm meeting with the School Committee and Finance Committee to review this year's school budget, which Selectman Denham said accounts for 64 percent of the total fiscal budget.

## Marion Selectmen's Meeting

March 30 1999

By Ilana L. Mackin

A regular meeting of the Marion Board of Selectmen was called to order on March 30 at 7:00 pm by Chairman Albert E. Winters. Also present were Selectman Loretta B. Schaefer, Selectman Jonathan "Jody" Dickerson, Secretary Helene Craver, and Executive Secretary Ray Pickles.

Chairman Winters opened the meeting with the signing of the weekly warrants and water commitments and the motion to approve the minutes from the previous March 23 meeting.

At 7:05 pm the board met with Police Chief Brian J. Scott who officially announced his retirement that will be effective December 31, 1999. Chief Scott read aloud a very touching and reflective letter to the board that he will submit in its official form in the coming week. It was several months ago that he indicated to the board he would reach retirement age in the year 1999 and was

## RABBIT DIET

My pet rabbit is getting fat. I feed her pellets and occasional lettuce. An all pellet diet is not healthy for rabbits. It promotes obesity, overgrown teeth, diarrhea, and the formation of hairballs in the stomach.

*What should I feed my rabbit?*

Pet rabbits need high amounts of fiber. This is best supplied by a diet of timothy hay or other grass hay. Avoid alfalfa as it has too much calcium and protein. The rabbit should be fed as much of this hay as she wants.

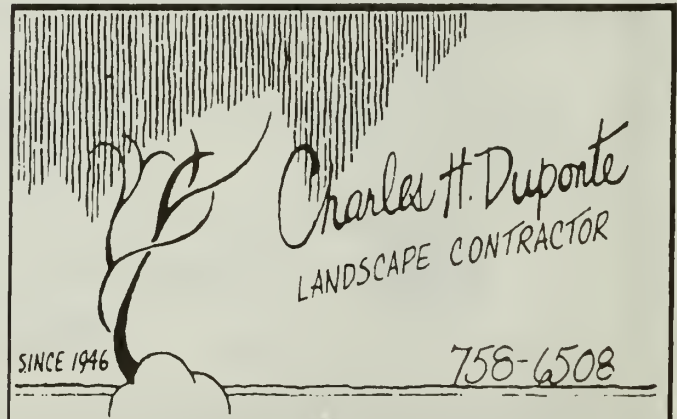

*What about lettuce?*

Romaine and other leaf lettuces are OK but iceberg lettuce has no nutritional value. Try feeding your rabbit other green vegetables such as broccoli. Start with a small piece then double the amount given on each subsequent day. This allows the bacteria in the rabbits intestine to acclimate to the new food. Overfeeding a new food can cause diarrhea and even death.

*Are there other foods to avoid?*

Avoid starchy foods such as oats, cheerios, potatoes, and most other foods that we like. Stick with hay, vegetables that are slowly introduced and some pellets.

contemplating taking it. His final decision was reached with the help of various factors in his life, after having served 21 of his 32 years in law enforcement for the Town of Marion.

"I have served and done all that I can do with the department and have absolutely no regrets," Chief Scott said. "The time has come for me to step aside and make room for a younger individual with the energy, drive and vision to take the Marion Police Department into the 21st century."

Chief Scott explained to the board that in reaching retirement age this is "the right thing to do for myself and the right time to do it." Though not entirely stepping down from his position of 21 devoted years to pursue his own private future plans, Chief Scott feels that as an individual

that has put so much time and dedication into the town that he lives, "if you care about the town that you live in and there are many in my type of position that do, there is a time to step down and not carry on long after one should have," he said.

Chief Scott ended his meeting with the board by saying: "I appreciate everything that this board and the town has done for me."

Almost lost for words, Chairman Winters commented: "You'll certainly be missed. Nothing can set the tone of a town in more of a positive and friendly way as you have done with the law enforcement agency. You've had a tough job and you did it in a super way. There has never been a complaint and I am going to really miss you."

Selectman Schaefer commented that Chief Scott "has given 21 years of (his) life to the Town of Marion and you've done it in a first class manner and we are very appreciative of that."

"As you know, I have had the opportunity of working with you during my term on the force and I really enjoyed it," Selectman Dickerson said. "There is no question that you will be missed."

"The town is going to miss you, I am going to miss you, and we certainly hope that we will see you around," concluded Chairman Winters.

Before Chief Scott dismissed himself from the board, Selectman Schaefer discussed the three additions to the Parking Restriction Regulations and privilege sticker required areas that were already voted on, requesting an

Chairman Winters continued by next reviewing all incoming correspondence, including:

- A letter from David B. Horton regarding the request to lift a dog restraint, which was backed with a letter from the Dog Officer stating that the dog has shown no further acts of aggression. Selectman Schaefer moved to approve the lift pending that if the dog shows any future signs of aggression, it will be reinstated.

- Shellfish Officer Charles Bradley submitted a letter to the board regarding the opening of Blankinship Cove for Special Commercial Fishing to waive the two foot regulation until May 22, 1999.

- An extensive cost estimate report was received from Camp Dresser & McKee Inc. (CDM), a consulting, engineering construction and operations company that was asked to prepare an estimate to evaluate the capacity of Effluent Brook and to recommend channel modifications that may be necessary to accommodate 1mgd of flow from the effluent discharge point. The budgeted amount CDM proposed was \$19,000 for the tasks that they would perform for the town on this project. Broken down into approximately 218 man-hours according to Chairman Winters that would be an estimated cost of \$87 per hour.

Finance Committee (FinCom) Chairman Lee Hayes commented to Mr. Pickles "that seems like an awfully high fee for these services," and suggested that an subsequent

request be submitted to them for a lower bid. Mr. Hayes pointed out that almost \$20,000 of the total \$90,000 approved for the entire Effluent Brook project is too much money to spend on engineering alone. Mr. Pickles agreed that they will need to look into this estimate further before making any decisions.

- The Indian Cove Board of Trustees submitted a signed petition from Indian Cove residents regarding their request to be considered for town provision of public sewers. Twenty-one signatures of the 32 area residents puts them on the current list, however at the bottom. Mr. Pickles explained that the targeted identified areas are the facility force areas that need to take top priority on this issue.

- Molly Gilbert of Mill Street in Marion submitted a request for approval to sponsor the Feast Of St. Anthony

The road will be closed and they will be providing a police officer for the event. "This is a marvelous event for the people of the community and every year it gets larger and larger," said Selectman Schaefer who recommended the board once again approve the request.

- The Board of Selectman have been invited by the Old Rochester Regional District School Committee to attend a forum to be held on Sunday, April 11 from 3:00 pm to 5:00 pm at the Sippican School to provide an overview of the Old Rochester Regional Building Project. This forum will be open to the general public for those who wish to attend.

The board discussed, per a meeting on February 9 between themselves and Mr. Pickles, that his long overdue title change from Executive Secretary to Town Administrator, to truly encompass the vast variety of responsibilities that he takes on and is required to do. This will better recognize the importance of his position in the town offices. Mr. Pickles is the longest-serving individual as Executive Secretary in a town office with 27 years of dedicated service to Marion. Though only a title change, the board wishes to recognize the many hats he wears and hard work that Mr. Pickles has done for the Town of Marion.

With no further business to come before the board, they unanimously voted to adjourn for the evening at 8:15 pm.

### Rochester Selectmen's Meeting

March 29, 1999

By Kenneth J. Souza

A regular meeting of the Rochester Board of Selectmen was called to order on Monday, March 29 at 7:00 pm by Chairman Richard Cutler. Also present were Selectman Naida Parker, Selectmen Patricia Ryan, Executive Secretary James Huntoon, and Administrative Assistant Veronica Lafreniere.

The board first met with Town Moderator Kirby Gilmore and members of the Rochester School Committee to re-appoint Betty Thompson as the town's representative to the Old Colony Regional Vocational High School Committee. All three bodies unanimously voted to re-appoint Ms. Thompson for a term to expire in the year 2000.

Conservation Agent Laurell Farinon next met with the board at 7:05 pm to bring them good news about property on New Bedford Road owned by Sven Olaussen. Being a relative of the Olaussen family, Selectman Ryan excused herself from the meeting. Ms. Farinon explained that Mr. Olaussen has long been considering a way to set aside his Christmas Tree Farm property for conservation purposes. In working with the Rochester Lands Trust and the Coalition for Buzzards Bay (CBB), Mr. Olaussen has settled on placing the 176-acre parcel of land under an Agricultural Protection Restriction (APR).

"What he wants to do is preserve this property," Ms. Farinon said. "The state purchases the development

The board was very pleased to hear about this great opportunity and wished to thank the Olausen family for their generous offer. Selectman Parker asked Ms. Farinon if it would be wise for the town to invest in the property somehow, thereby assuring that the town would have some input regarding any future changes in use for the property. "If we have a vested interest in the property, any future action would require Town Meeting approval," Selectman Parker said.

Both Ms. Farinon and Mark Rasmussen of the CBB agreed that the town might want to consider investing in a percentage of the assessed value of the land to insure town input into future decisions regarding the

property. The board asked Mr. Huntoon and Ms. Farinon to plan on placing an article on the upcoming Annual Town Meeting warrant which would allocate a sum of money for this purpose. The actual placement of the property under the APR needs only the approval of the Board of Selectmen, which was unanimously granted.

At 7:15 pm the board met with Police Chief Walter Denham to review the recommendations for the Sergeant's interview process. Chief Denham explained that the interview will take place on April 13 beginning at 10:00 am at Old Colony Regional Vocational Technical High School. Five panelists have been invited to interview the sole candidate who passed the preliminary exam: Chief William Sullivan of the Marshfield Police Department, Deputy Chief Cathleen Moniz of the Fall River Police Department, John DeGutas of the Plymouth Police Academy, Lieutenant Herb Harding of the Norwell State Police barracks, and Captain Louis Pacheco of the Raynham Police Department.

Chief Denham noted that a ranking sergeant from the Marion Police Department had been invited to serve on the panel but declined since he was recently involved in an investigation involving a Rochester police officer and considered it a potential conflict of interest.

Chief Denham said he would be present throughout the interview process, but would not be participating in the questioning. He also suggested that a member of the Board of Selectmen be present in the same capacity. "This is the first time I'm going through this," he said, "so I hope I'm doing things right. I've prepared the package so it will include up to three positions for future consideration."

The board said they were impressed with the interview packet and asked that the results of the process — regardless of the outcome — be placed in the

In other matters, Chief Denham was asked to present the board with a detailed schedule of shifts to determine how much of the sergeants' shifts will be spent doing administrative work and how much will be spent on patrol. Chief Denham estimated that two out of eight hours per shift would be dedicated to "administrative paperwork," while the other six hours would be on patrol. Selectman Ryan asked Chief Denham if he saw the need for a third sergeant's position in the near future.

"I'd say we wait at least one year (from this appointment) until we add another sergeant," Chief Denham said.

Assuming that a second sergeant is added this year, Selectman Ryan also asked if one sergeant would be

scheduled on days, and the other on nights to cover administrative work while the chief is off duty. "I'd like to have them split between days and nights," Chief Denham said. "But there are times when I can't be here and we need coverage." Selectman Parker asked Chief Denham to provide Mr. Huntoon with a complete schedule of shifts and coverage so they are aware who's on duty.

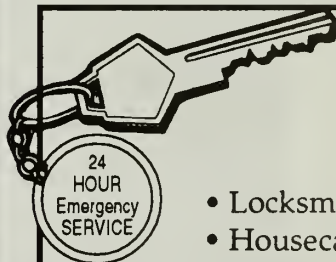

Town Accountant Claudette Coutu next met with Chief Denham and the board to discuss the latest round in the COPS Fast Grant program which allocates money to cities and towns for additional police officers over a three-year period. Since the funding for another part-time position wasn't included in the police department budget for Fiscal Year 2000, Ms. Coutu said they should pass on this year's funding round and apply next year. "They frown on leaving the money there if we're not going to use it," she said, "we'll be eligible to apply again next year."

Since the board hadn't yet met with the Finance Committee on this matter, Chairman Cutler said they were inclined to pass on this year's funding round as the deadline to apply was fast-approaching.

"I'd like to go on record and say I don't know why the town would pass up a \$75,000 grant," Chief Denham said.

"We're not passing it up," Chairman Cutler said. "We're just deferring it for one year. In your budget for Fiscal Year 2001, you should definitely put money in there to cover the salary for a supplemental officer."

Part of the reason the board was reluctant to proceed with the grant award was that the town first had to allocate the money and then apply for reimbursement under the program. Some board members felt this year was going to be a tight year for surplus budget items. "We should be fully funding one (additional) position for the first time this year," Selectman Ryan said. "I'm not sure

this is the year to take a chance on (additional expenses). We have consistently tried to fund additional positions on the police department ... but this year we've got several other (new positions) to fund."

Chairman Cutler asked Ms. Coutu to see if they can get an extension from the March 31 deadline to apply for this grant so that they might have time to meet and discuss this further with the Finance Committee before making a commitment. Both the FinCom and Chief Denham are slated to meet with the board next week (April 5).

## Letter to the Editor

To the Editor:

On Friday, March 19 I attended a spaghetti dinner at the Knights of Columbus Hall in Mattapoisett. This dinner was sponsored by the Fairhaven/Mattapoisett Kiwanis Club for the sole purpose of raising funds for a handicap van for a ten-year-old boy by the name of Patrick Barry.

I was amazed at the number of people who came and went enjoying a meal of spaghetti with meatless sauce (meatballs if you chose), antipasto, bread and beverages. Jeff Medeiros,

President of the Kiwanis organization, was dishing out spaghetti, along with his wife, Carol, and friends Gary and Susan Staffon. Chris Medeiros handed out bowls of antipasto. Rodney Cejka, Joyce and Bob Costa took turns spooning a delicious meatless sauce and/or meatballs over thin spaghetti. Ginny Vining handed out the bread and her husband, Bill, remained hidden to most of us because he was the brain at the stove. Joe Stoddard had already come and gone after setting up the hall. John Rogers sat at a small table at the entranceway collecting tickets and donations from all who entered.

The whole event was kept neat through the efforts of two young ladies — Linda Staffon and her friend, whose name, I'm sorry to say, I wasn't able to find out — who walked around cleaning up plates and cups as people finished eating. Many of these people do not even know this child, yet they came and made his dream of having a van closer to reality.

Patrick has Duchenne's Muscular Dystrophy and is totally wheelchair-bound. He has an electric wheelchair but is unable to take it to functions outside his home because his parents do not own a van. Last June, Jeff Medeiros and John Rogers approached Paula and Tim Barry. These two men, as representatives of the Fairhaven/Mattapoisett Kiwanis Club, asked if the Barry's would mind if they adopted the family and did a little fund-raising to help them with their quest for a van.

This letter is my way of saying thank you to the many people who organized, prepared, cleaned up after, and partook of the spaghetti dinner, as well as to an organization of local business people who really do care. My name is Paula Barry and I am Patrick's mother. I know firsthand the sincere generosity and love that the people of these two communities have for children like Patrick and I just want to say "thank you" from the bottom of my heart.

Sincerely,  
Paula J. Barry

Real Estate  
**758-6738**

### WHAT GOES WITH THE HOUSE?

Real estate is usually defined as the land and everything attached to it, such as buildings, trees, shrubs, etc. The buyer normally gets all the real estate, but none of the owner's personal property. The problem arises when personal property has become a part of the real estate. This is called a fixture and does pass with the real estate.

There are three usual tests which must be satisfied. Has the personal property been permanently annexed to the real estate? Is it intended to become part of

the real estate? And finally, what is the local custom? Usual fixtures might include: shades, heaters, ranges, screens, storm windows, lighting fixtures, etc.

It is important that the seller spell out specifically in his sales agreement exactly what he intends to give the buyer as part of the real estate. This will save misunderstanding at the closing, and sometimes save a sale.

Tickets are very limited and are available now from chorus members and in Marion at the Elizabeth Taber Library and The Bookstall, and Tabor Academy's switchboard receptionist. They are also available at the Seaport Village Ice Cream and Coffee Shoppe in Mattapoissett.

Because of limited seating, no one will be allowed in without a ticket. Children must be accompanied by an adult, and no adults will be allowed in unless accompanied by a child. The two choruses would especially like to encourage children to bring their grandparents.

Now in its thirty-fifth season, the Sippican Choral Society is under the direction of Peter West, with Corinne Peck as accompanist. The group performs at least two concerts every year, singing the works of the world's great composers, as well as lighter works from the musical theater. With the cooperation and help of many local businesses, the art department at Old Rochester Regional High School has held fifteen fantastic fashion shows. Because they have been such a success for all those involved, they will be having their sixteenth annual Fashion Show this year on Saturday, April 3 at 7:30 pm in the high school auditorium. Tickets may be purchased in advance at the high school or at the door the evening of the fashion show. The ticket price for students and senior citizens is \$4 and for adults is \$5.

## AUTO TRIPS PROMPT BACK PAIN

**Q** When I'm an auto passenger for thirty to forty minutes, I invariably develop a dull, nagging back pain next to my right shoulder blade. Sometimes it gets so bad I can't think of anything else.

It never happens when I drive, only when I'm a passenger, even in another's car. After I move around a bit outside the car, the pain goes away. Any suggestions?

**A** If your pain occurred only in your car, we might blame the seat for some of the trouble, but since the pain happens in any car, we must look to your body's structure for the answer.

You may have a spinal structural problem—perhaps misaligned vertebrae—or your abdominal muscles may be weak and giving inadequate spinal support. Or your sitting posture may be at fault. The possibilities are numerous.

### UNDERLYING CAUSE?

A chiropractic examination would probably determine the underlying cause of your distressing pain and whether it is a warning signal of a developing serious problem.

It could be something as simple as riding with your elbow on the arm rest, thus putting an unnatural stress on your back. But why guess? A chiropractic examination is in order.

## Marion Art Center

### Spring Comedy

Reservations are now being accepted for the Marion Art Center's production of *A Night at the Theater* by Lawrence Casler. This light-hearted play features two couples out for an evening of "culture" (this time it's *Hamlet*), and the audience begins their incessant and hilarious chatter about themselves, their children, their friends, and occasionally about *Hamlet*. There are some bizarre and unusual twists and turns as the conversations reveal many aspects of the relationships of the four friends.

The show is directed by Jane Babbitt and features Donn Tyler, Cheryl Larson, Michele Kelley, and Anthony Kandel. Other players will mime heroic scenes from the Shakespeare production.

The show will be presented two weekends: April 22, 23, 24, 29, 30, and May 1 at 8:00 pm. Tickets are \$10 for MAC members and \$12.50 general admission. Seating is limited and reservations are recommended and can be made by calling 748-1266. You can also reserve a table (parties of four or more). The Marion Art Center is a non-profit organization located on the corner of Main and Pleasant Streets in Marion.

### Scholarship/Exhibition

# MOVIE REVIEW

## Sheltered

BY ROB GONSALVES  
local@wanderer.com

■ **Life is Beautiful.** Starring Roberto Benigni and Nicoletta Braschi. Directed by Roberto Benigni. Running time: 122 minutes. Rated PG-13. At Cinema 140 in New Bedford.

The first half of *Life is Beautiful* is so charming, and the second half such a bitter letdown, that I'm not sure what to do with it. Give the movie points for trying? Acknowledge that what Roberto Benigni is attempting — a fable about keeping love and hope alive in the midst of annihilation — is murderously hard to bring off? The first 45 minutes or so are unabashedly romantic and enjoyable, and there are extremely moving moments throughout. But the film as a whole makes very little sense.

The first section opens in Italy in 1939. We meet Guido (Benigni), a happy-go-lucky drifter with dreams of going to the city and opening a bookstore. Guido falls in love with the lovely Dora (Nicoletta Braschi, Benigni's wife), who is engaged to a humorless Fascist goon. No matter; Guido wins her heart by sheer persistence and spontaneity. In an image so shamelessly florid it can't help getting to you, Guido unfurls a long, long red carpet across rain-slick stairs so his beloved won't get her feet wet. I fell for that one pretty hard. Bravissimo. Like many filmmakers unencumbered by the irony of modern Americans, Benigni does this kind of stuff with a pure conviction that recalls classic Hollywood.

In a neat transition, we soon discover that Guido and Dora have married and had a little son, Giosue. By then, the shadows have begun to creep into Benigni's fable: Italy is being overtaken by the Nazis, who soon go about rounding up all Italian Jews — including Guido and Giosue. Out of love and solidarity, Dora insists on being taken on the same train. Guido and his little boy arrive at the work camp, and that's when the movie starts to go wrong. Guido, as you've probably heard, shields his boy from the horrors of the camp by pretending the whole thing is a game. The problem is, Benigni the filmmaker almost seems to believe it, too.

Should *Life is Beautiful* be castigated for not being a starkly realistic treatment of the Holocaust? It never claims to be so.

However, Benigni doesn't have the temperament that would goose the movie above the level of heartwarming — and "heartwarming" and "Holocaust" just don't go together. There are a couple of moments of horror and tragedy, but the same could be said of *Patch Adams*, of

which this movie is an Italian brother. Cancer, madness, genocide — there's nothing that can't be defeated with a little laughter, a little chicken soup for the soul. When Dora hears the voice of her little boy, whom she'd feared dead, I choked up a little, but my response had nothing to do with the subject.

Could this movie have been a masterpiece? I honestly don't know, but one way to have approached it might have been to make Guido a man whose fantasies are sometimes clearly inadequate — the bubble of his humor pops against the sharp blade of reality. Nothing much like that ever happens in *Life is Beautiful*; Guido remains indomitable throughout, and I began to wish the movie had shown us that Guido had begun to go insane under the pressure of preserving his son's innocence, coming up with ever more ridiculous rationales that even the boy sees through.

A much more honest comedy might have been about an Italian father circa 1939 who loves his son but isn't nearly as affectionate — who even beats the boy prior to the emergence of the Nazis. Then the "game" could be about the father terrorizing the boy into staying in hiding, out of love for the boy. But Roberto Benigni isn't the man to play such a father or to make such a movie. He has, instead, created a role and made a movie designed to win Oscars, and it certainly worked. What he hasn't made is a movie that means much of anything.

*Life is Beautiful* puts the Holocaust in comforting perspective: It reassures us that there were fathers like Guido keeping their children safe, and it tells us that love will withstand even the ruthless machine of genocide. With *Life is Beautiful*, the final frontier of schmaltz has been reached; perhaps now our movies and our tastes can turn once more to honesty and reality.

## This Week's Horoscope

by Linda Black

**Aries (March 21-April 19).** Encouragement from friends makes you even more brilliant. Take care not to mess up a delicate situation at home.

**Taurus (April 20-May 20).** It will be easier to express yourself concerning money, so ask for what you want. Give a friend your skills instead of your cash to help him or her out on a job.

**Gemini (May 21-June 21).** Your social life is very good and you may have more invitations than you can accept. Be careful not to hurt a shy person's feelings, though.

**Cancer (June 22-July 22).** The heat is turned up. Try not to react to a snotty tone of voice. It'll only slow you down. You're calm, cool and collected, and dealing with a maniac.

**Leo (July 23-Aug. 22).** Your friends are there for you, except they're something of a distraction. You and they want to play instead of working. That could get you into trouble.

**Virgo (Aug. 23-Sept. 22).** Your cage could get rattled. Stay calm and stay on course. Let people know what you need. A friend can provide it.

**Libra (Sept. 23-Oct. 23).** You're communicating well but could hurt a co-worker's feelings with a casual remark. Think about how what you're saying is being heard.

**Scorpio (Oct. 24-Nov. 21).** You work hard for your money. Don't waste it on a frivolous gesture. It's full speed ahead, especially if an old friend comes along.

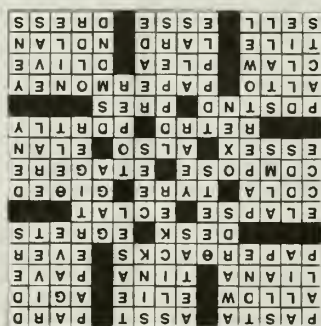

**Sagittarius (Nov. 22-Dec. 21).** Resolve an old domestic misunderstanding before it gets any worse. Money is the issue. Join with a partner to get what you need for your home.

**Capricorn (Dec. 22-Jan. 19).** Use your brains instead of your brawn to make money. It's a partnership that helps you win your game.

**Aquarius (Jan. 20-Feb. 18).** You can find just the right words but the lack of money could hamper romance. Concentrate on your work to avoid accidents.

**Pisces (Feb. 19-March 20).** Changes under way could threaten your status quo. You should feel much better soon.

**If You're Having a Birthday This Week:** You're learning quickly this year, so tackle a tough assignment. You're very lucky, so take on a challenge.

## COOKIN' GOOD

### Fancy Baked Sweet Potatoes

By Deanna Gugel

36 ounces sweet potatoes (canned or fresh)

2 large peaches

1/2 tsp. cinnamon

3 T brown sugar

1/4 tsp. nutmeg

1/4 tsp. salt

3 T butter

1/3 cup chopped pecans

1 cup miniature marshmallows

If you plan to cook fresh sweet potatoes, preheat your oven to 450 degrees. Clean the potatoes well so you won't have to remove the skins because they contain many nutrients. Poke a few holes in each potato and wrap in aluminum foil. Cook for 30 minutes at 450 degrees. Remove from the oven and unwrap. Slice lengthwise and 1/3-inch thick and arrange evenly in the bottom of a greased 10-by-6-inch baking dish, until it is covered. Set aside the rest temporarily. Reduce the heat in the oven to 350 degrees and allow to cool for about 30 minutes. While the oven is cooling, using a fork, press together the brown sugar, cinnamon, salt and nutmeg. Melt the butter. Using your fingers, drop some of the brown sugar mixture lightly over the first layer of sweet potatoes. Then sprinkle some of the melted butter over top. Add a layer of thinly sliced peaches. Add another layer of the sweet potatoes, then the sugar and melted butter and peaches. Finish with the sweet potatoes. Top with the finely chopped pecans and bake for 15 minutes. Then top with a layer of the miniature marshmallows and cook 15 more minutes, or until the sugar is bubbly and the potatoes are heated throughout. If you use canned sweet potatoes, skip to the step that starts with covering the bottom of a greased baking pan with some of the sweet potatoes. Bake for at least 35 minutes at 350 degrees.

Now that the Lenten season is upon us, a time for many who profess to give up sweets or look forward to the warm weather of spring, St. Joseph's Church of Fairhaven extends an invitation for all to participate in prayer and the Liturgy of the Eucharist, as the Catholic Church moves toward the Easter Celebration.
